

NEW LOCATION FOR FARMERS' MARKET!

You won't want to miss the opening of the seventh annual Farmers' Market at Pine Community Park on May 28, 2009. Now on the Red Belt/Community Center side of the Park, the Farmers' Market promises tasty treats, fresh produce, and beautiful plants and flowers from returning favorites such as Soergel's Farm Market, Nellie's Sandwiches, Mish Farms Meat Market, Richard Grimm Farm, Popcorn-N-That, Christoff's Farm and Greenhouses, The Alaska Wild Salmon Company, Oak Hill Farm Nursery, and Pisarcik Greenhouse. When you stop by, be sure to try out some of our many new vendors, too!

The Pine Township Parks & Recreation Commission is dedicated to making this the most popular and successful Farmers' Market in the area. Our goals for the Market are multiple, and include assisting local farmers and producers in marketing directly to the consumer, improving the variety, freshness, taste, and nutritional value of produce available in the Pine Township area, and generally enhancing the quality of life in Pine by increasing a sense of community within the Township.

The Farmers' Market at Pine Community Park takes place on Thursdays from 3 p.m. – 6 p.m., from May 28, 2009, through at least September 24, 2009. Please note that due to the seasonal nature of some of the goods being sold, it is possible that not all of the producers will be there every week.

Thank you for supporting the Farmers' Market at Pine Community Park!
