at the Same Time?

Then Cub Scouting is the program for you and your son.

Cub Scouts is a family and neighborhood centered program designed to support and encourage the character development of boys in the first through fifth grades. It is a FUN and exciting program that helps boys to:

- Develop physical and creative skills through sports, crafts, music, and games.
- Learn how to get along with others and show respect for home, country, and community.
- Develop mental skills such as writing, planning, and problem solving.
- Develop confidence, personal independence, and leadership skills.
- Learn to make values-based decisions and always "Do Your Best."
