

Dear Parents,

Please take this opportunity to look over this unique program that we have worked on putting together for your students. We are very to also incorporate winds, brass, and percussion into the camp so that the students can experience a full symphony orchestra. This will give your student an even broader musical experience. It promises to benefit both your child and the quality of the strings program. I look forward to seeing you and your child this summer.

# Summer Strings Camp

I am excited to offer our seventh year of Summer Strings at Pine-Richland. We are offering two one week sessions during the months of June and August. There will be group lessons, performances, guest artists, and orchestra geared toward your student's appropriate level. On the last day of camp there will be a concert in the afternoon for friends and family.

This is a great opportunity for your student to retain everything they have learned during the year and more. Ensemble playing is one of the most valuable musical experiences a student can have. We are also offering an exploratory music time which will be comprised of master classes, instrument repair, and alternative music.

The students can participate in either one or both sessions. Different material and concepts will be taught at each one. The camp fee covers teacher salaries, guest artists, music, insurance, and snacks.

## Camp Information

### Dates

### Class Description

**Group Lesson** - The students will be placed into three levels for lessons and divided by instrument. The material covered will be scales, technique exercises, pieces of the appropriate level.

**Exploratory Music Time** - We will be having guests into speak and work with the students in masterclasses on playing, instrument repair, and alternative music.

**Orchestra**-The students will be divided into Level I, Level II, and Level III. Different musical styles such as fiddle, jazz, and classical will be taught through the music chosen.

This year the orchestra music will be sent home before the camps so that your child can have time to prepare the music.

### Faculty

The faculty is comprised of specialists on each instrument violin, viola, cello, and bass. They are all graduate students or graduates from Duquesne University with degrees in music performance and music education. The camp coordinators are Elisa and Jhonnatan Mata.
