

## How to Read a PRMS Student Schedule

A sample of a typical 7<sup>th</sup> grade schedule is shown below – the first day of school will be an A day.

- This particular student is on team 7B and starts the day with Academic Support during period 1 in room 401 with Mr. Bartell on both A and B days. Some 7<sup>th</sup> grade students will take a Performing Arts class (Band, Chorus or Orchestra) during period 1.
- Period 2, 5, 7, 8 and 9 are this student’s core academic courses, including English, Science, Math, Social Studies and Reading. These are year-long courses that will meet on both A and B days.
- This student’s Unified Arts rotation is period 3 and will report to Design and Modeling every day in Quarter 1, Family Consumer Science in Quarter 2, Art in Quarter 3 and Computer Applications in Quarter 4.
- The Phys. Ed./World Language rotation during period 4 will rotate every other day between Phys. Ed. on A days and World Language on B days, starting in Q1 (quarter 1) with French, Q2 (quarter 2) with Cultural Fusion, Q3 with Spanish, and Q4 with German.
- This student will have lunch every day during period 6.
- A typical 8<sup>th</sup> grade schedule would be very similar except that all 8<sup>th</sup> grade students rotate every other day between Phys. Ed. and Health on our A Day or B Day schedule, and take either the first full year of a World Language or a Reading course.
