Waterfront  
SUMMER  
SESSION 2023

ENRICH + RECOVER + EXPLORE

## SUMMER EDUCATION WITH WATERFRONT LEARNING

Waterfront Learning supports the varied online learning needs of each student through highly qualified content teachers, advising services, on-demand live tutoring, and virtual office hours to connect with teachers one-on-one. Our platform provides students with 24/7 access to engaging self-paced lessons and gives parents the option to view their scholar’s attendance and course progress. Our students’ home districts award course credit based on student performance reports from Waterfront Learning.

### Enrich & Explore

**Enrich:** Non-condensed enrichment courses provide students in grades 6-12 the opportunity to academically advance over the summer. Students learn the same content as taught in the full school year through approximately 15-20 hours of work per week for 10 weeks.

**Explore:** Summer courses allow students in grades 9-12 to explore different career paths before committing to a post-secondary program. Courses require approximately 10 hours of work for 10 weeks.

- **Registration period:** March 27 – May 24, 2023
- **Session term:** May 25 – August 3, 2023
- **Course fee:** Full credit: \$500; Half credit: \$315\*

*Enrich & Explore courses are not NCAA approved.*

### Recover Now!

Summer is an opportunity for students in grades 6-12 to improve grades in previously taken courses. Recovery course content is tailored to the needs of individual students through diagnostic placement tests. Students must complete the course in four weeks through approximately 10 hours of work per week. *Recover Now! courses are not NCAA approved.*

- **Registration period:** June 1 – July 13, 2023
- **Courses must be completed within four weeks from start date**
- **Course fee:** \$275\*

### Elementary & Middle School Summer Bridge

Summer Bridge expands reading and mathematics skills to prepare students entering first through eighth grade to confidently transition grade levels. Course content is tailored to meet student needs through diagnostic placement tests. A certified teacher guides each student through individualized lessons, educational games, and optional weekly hands-on activities. This tailored approach benefits all students—those who work at or above grade level and those who have experienced learning loss due to interrupted schooling.

- **Registration period:** May 3 – June 19, 2023
- **Session term:** June 22 – August 3, 2023 (no extensions)
- **Course fee:** \$200\*

### REGISTRATION INSTRUCTIONS

Submit registration and payment at waterfrontlearning.com during the program’s registration period.

Parents must provide valid email addresses and phone numbers for themselves, the student, and the student’s school counselor. Written approval from your home district is required prior to registration and payment.
