

Dear Parents/Guardians of Teacher's Name class,

Teacher Name does a wonderful job with our children. We thought it would be the perfect time of year to let her/him know how much we truly appreciate her/his efforts. We are planning on purchasing a gift for her/him and having the children present it to her/him during the class Holiday Party/End of Year Festivities. Participation is completely voluntary. If you would like to participate, please contribute any amount that you feel is appropriate. If you do not wish to participate, know that every child's name will appear on the card as all of the children benefit from her/his teaching.

Please return the bottom portion with your contribution in an envelope marked to the attention of Homeroom Parent Name by Date.

Any suggestions for the class gift would be greatly appreciated!

Thank You!
