Classroom Behavior

Basic Guidelines for Students: "I am in charge of how I act, and I will try to act so that I will be proud of myself and others will be proud of me too!"

I have very high expectations for all of my students. In order for all children to have the opportunity to learn and grow, there are certain expectations and routines for the children. These expectations focus on caring for classmates, being a responsible student, basic school rules, and showing respect for peers, teachers, and the school. I use positive reinforcement as much as possible to praise good behavior. In addition, I will contact a parent when there is a particular concern. My students know what is expected of them and they learn to do things because it is the right thing to do!
