

# Welcome, Welcome, Welcome!

Dear Kinder-Parents,

I am so excited to start this year with you and your child! Kindergarten is such an exciting time and I am so honored to be your child's teacher.

Our half day is VERY busy. Don't be surprised if your child is very tired that first week (I know I am!). We will spend a lot of time the first few weeks getting to know each other, familiarizing ourselves with classroom routines, and talking about our families. Our curriculum is very rigorous and I have very high expectations for all children. I understand that all children learn differently and it is my goal to help all children be successful. I also strive to make them feel safe and loved during their time with me each day. I view each of these special children as my own and treat them like family.

Thank you for trusting me with your child. PLEASE come to me if you ever have any questions or concerns. We are partners in your child's education. I'm looking forward to a wonderful year together.

Best,  
Mrs. Erica Savannah
