4A Security deposit will be required for all use of facilities. All deposits will be refunded upon request once it has been verified that all facilities have been returned to their original condition. The security deposit will be waived for Class II organizations for classrooms, HS large instructional room, lobby areas, or cafeterias.							
5Custodial Services will be assigned for certain events depending on the facility in use and # of attendees or participants. Additional time may be incurred beyond the event duration for preparation and/or clean up.							
6Groups are responsible for contracting with the PRSD's designated security firm or the Pine or Richland Township police departments to provide the required security. In general 100-300 attendees requires 2 security/police personnel; 301 to 700 attendees requires 4 security/police personnel; 700+ attendees requires at least 6 security/police personnel. The foregoing provides only a general guideline. The PRSD will make final determinations regarding the necessary security staffing.
