

# PINE-RICHLAND SCHOOL DISTRICT

## 2017 Winter Retiree Recognition

### PINE-RICHLAND HIGH SCHOOL

Nurse Suzanne Leonberg

After nearly 21 years of working at Pine-Richland School District,

Mrs. Suzanne Leonberg is retiring. Mrs. Leonberg had the opportunity to begin her journey in the

district as a school nurse at Richland Elementary and then made her way to Eden Hall Upper Elementary School as it opened. She wrapped up her final two years as a high school nurse. Mrs. Leonberg says she will cherish her experiences and the opportunity she had to follow a generation

of children from their first day of kindergarten through high school graduation. Those who know Mrs. Leonberg say she has been a great mentor with student nurses and colleagues themselves and was instrumental in organizing the "Girls on the Run" program at Eden Hall

### PINE-RICHLAND SCHOOL DISTRICT

State Reporting Coordinator Jan Schnauffer

State Reporting Coordinator Jan Schnauffer is also retiring after 21 years. In addition to her role as

state reporting coordinator, Mrs. Schnauffer has served in many roles through the years, which included serving as a help desk and technology support services coordinator. Colleagues say that Mrs. Schnauffer's keen

attention to detail, determination to see projects to completion and her loyalty to Pine-Richland will be missed.

*"...our job in life is to help people realize how rare and valuable each one of us really is, that each of us has something that no one else has--or ever will have--something inside that is unique to all time..." - Mr. Fred Rogers*
