**Request For Access**

A written request for access to a public record shall be submitted on the required form and addressed to the district’s Open Records Officer.

Written requests may be submitted to the district in person, by mail, to a designated facsimile machine or to a designated e-mail address.

Each request must include the following information:

1. Identification or description of the requested record, in sufficient detail.
2. Medium in which the record is requested.

3. Name and address of the person to receive the district's response.

65 P.S. Sec. 67.703
The district shall not require an explanation of the reason for the request or the intended use of the requested record, unless otherwise required by law.

**Response To Request**

65 P.S. Sec. 67.502, 67.702
District employees shall be directed to forward requests for access to public records to the Open Records Officer.

67. P.S. Sec. 67.901
Upon receipt of a written request for access to a record, the Open Records Officer shall determine if the requested record is a public record and if the district has possession, custody or control of that record.

65 P.S. Sec. 67.901
The Open Records Officer shall respond as promptly as possible under the existing circumstances, and the initial response time shall not exceed five (5) business days from the date the written request is received by the Open Records Officer.

65 P.S. Sec. 67.901
If the district fails to respond to a request within five (5) business days, the request for access shall be deemed denied.

**Extension Of Time**

65 P.S. Sec. 67.901, 67.902
If the Open Records Officer determines that an extension of time is required to respond to a request, in accordance with the factors stated in law, written notice shall be sent within five (5) business days of receipt of the request. The notice shall indicate that the request for access is being reviewed, the reason that the review requires an extension, a reasonable date when the response is expected, and an estimate of the applicable fees owed when the record becomes available.

Up to a thirty (30) day extension for one (1) of the listed reasons does not require the consent of the requester. If the response is not given by the specified date, it shall be deemed denied on the day following that date.

A requester may consent in writing to an extension that exceeds thirty (30) days, in which case the request shall be deemed denied on the day following the date specified in the notice if the Open Records Officer has not provided a response by that date.
If the requester agrees to the date extension, the request shall be deemed denied on the day following the date specified in the notice if the district has not provided a response by the date.

**Granting Of Request**

If the Open Records Officer determines that the request will be granted, the response shall inform the requester that access is granted and either include information on the regular business hours of the district office, provide electronic access, or state where the requester may go to inspect the records electronically at a publically accessible site. The response shall also include a copy of the fee schedule in effect, a statement that prepayment of fees is required in a specified amount if access to the records will cost in excess of $100.00, and the medium in which the records will be provided.

**65 P.S. Sec. 67.701**

A public record shall be provided to the requester in the medium requested if it exists in that form; otherwise, it shall be provided in its existing medium. However, the district will not be required to permit use of its computers.

**65 P.S. Sec. 67.701, 67.704**

The Open Records Officer may respond to a records request by notifying the requester that the record is available through publically accessible electronic means or that the district shall provide access to inspect the record electronically. If the requester, within thirty (30) days following receipt of the district’s notice, submits a written request to have the record converted to paper, the district shall provide access in printed form within five (5) days of receipt of the request for conversion to paper.

**65 P.S. Sec. 67.506**

A public record that the district does not possess but is possessed by a third party with whom the district has contracted to perform a governmental function and which directly relates to that governmental function shall be considered a public record of the district.

**65 P.S. Sec. 67.706**

If the Open Records Officer determines that a public record contains information both subject to and not subject to access, s/he shall grant access to the information subject to access and deny access to the information that is not subject to access. The Open Records Officer will redact from the record the information that is not subject to access. The Open Records Officer shall not deny access to a record if information is able to be redacted.

**65 P.S. Sec. 67.905**

If the Open Records Officer responds to a requester that a copy of the requested record is available for delivery at the district office, and the requester does not retrieve the record within sixty (60) days of the district’s response, the district shall dispose of the copy and retain any fees paid to date.
### Notification To Third Parties

65 P.S.  
Sec. 67.707

65 P.S.  
Sec. 67.707  
The Open Records Officer shall notify a third party of a record request if the requested record contains a trade secret or confidential proprietary information, in accordance with law and regulations.

### Denial Of Request

65 P.S.  
Sec. 67.901,  
Sec. 67.903  
If the Open Records Officer denies a request for access to a public record, whether in whole or in part, a written response shall be sent within five (5) business days of receipt of the request. The response denying the request shall include the following:

1. Description of the record requested.

2. Specific reasons for denial, including a citation of supporting authority.

3. Name, title, business address, business telephone number, and signature of the Open Records Officer on whose authority the denial was issued.

4. Date of the response.

5. Procedure for the requester to appeal a denial of access.

65 P.S.  
Sec. 67.506  
The Open Records Officer may deny a request for access to a record if the requester has made repeated requests for the same record and the repeated requests have placed an unreasonable burden on the district.

The Open Records Officer may deny a request for access to a record when timely access is not possible due to a disaster, or when access may cause physical damage or irreparable harm to the record. To the extent possible, a record’s contents shall be made accessible even when the record is physically unavailable.

65 P.S.  
Sec. 67.706,  
Sec. 67.903  
Information that is not subject to access and is redacted from a Public Record shall be deemed a denial.
### Appeal Of Denial

If a written request for access to a public record is denied or deemed denied, the requester may file an appeal with Pennsylvania’s Office of Open Records within fifteen (15) business days of the mailing date of the Open Records Officer’s response or deemed denial.
