

PINE-RICHLAND KEY SAFETY TOPICS

Access to School Property

Public access to school properties and facilities during school hours is prohibited.

Animals on Campus

Although we understand the desire of some people to walk their pets on campus and bring their pets to sporting events, **pets on campus are prohibited** unless a person is being supported by a service animal with proper documentation.

Smoke-Free Campus

Tobacco and tobacco-like products are prohibited in all areas of our campuses, both inside and outside of the buildings. In our policy, **tobacco use** is defined as use and/or possession of a lighted or unlighted cigarette, cigar, and pipe; other lighted smoking products; electronic cigarette; smokeless tobacco in any form; and tobacco-related items/devices.

Our responsibility is balancing school safety with public use of facilities

Through our comprehensive approach to safety, security and culture, these practices balance the use of facilities by the public while maintaining a safe and secure learning environment for our students and staff during the school day. The topic is most frequent at the secondary and Richland Elementary campuses due to the availability of facilities such as the tracks and tennis courts.

The administration and the district's safety and security coordinators have been **working with the Northern Regional Police Department** regarding enforcement and have installed appropriate signage on all of our six campuses.

Public access on the Pine-Richland School District campuses will be **prohibited during school hours:**

- *Pine-Richland High School Hours: 6:45 a.m. – 2:45 p.m.*
- *Pine-Richland Middle School Hours: 6:45 a.m. – 2:45 p.m.*
