

## Back-to-School Toolkit & Welcome Back Messages from the Principals

August 12, 2021

Dear Parents/Guardians,

By now, you should be anticipating the start of the 2021-2022 school year on **August 31, 2021**. In an effort to streamline communications, we are sharing each principal's back-to-school message via one eBlast for families. Some important reminders for the 2021-2022 school year include:

- The **Sapphire Community Web Portal** will open at 8 a.m. on **August 13, 2021**, for bus, classroom, teacher, and schedule information. [Click here](#) for more information on logging in and to see when the portal is available to view electronic report cards during the school year. More information on bus transportation can be found via the website (Alternative Care & Shared Custody Forms, Beattie Transportation, & More). Due to COVID, no bus passes will be issued.
- Please be sure to review the Back-to-School Toolkit [via this link](#) (PDF, Document Viewer, & Interactive Versions) or clicking on the notebook image for an **interactive A-Z** guide for parents, guardians, and students. **The toolkit contains annual notices, handbooks, discipline code, curriculum, online textbook, pertinent 2021 health information, and more.**
- You can access the overall [academic calendar](#) and [the electronic calendar](#). The toolkit provides links to the [building website calendars](#), [how-to guides](#) to pull in multiple buildings via one calendar, and much more.

More information about the recommended health and safety plan will be shared with families by the end of the week.

A welcome back message specific to your child's school is being shared by your child's principal. Click on your child's building for more information.

### Welcome Back Messages
