

## March Update from Superintendent

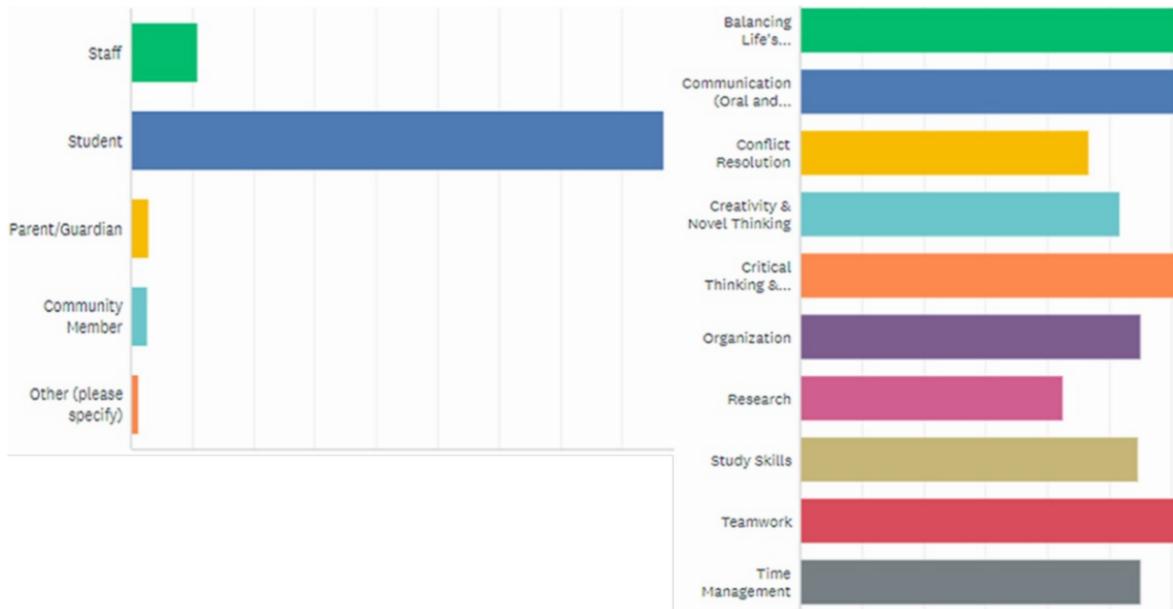

March 9, 2020

Greetings to Pine-Richland Students, Staff, Parents and the Community,

In early January, we re-introduced the PR Graduate Portrait through a "Challenge" activity. We had 269 people accept the PR Graduate Portrait Challenge for **Health & Wellness**. In February, we introduced the **Skills** dimension. We had **493 members** of our school community respond this month!

In terms of **Skills**, here is a quick snapshot of the responses from last month:

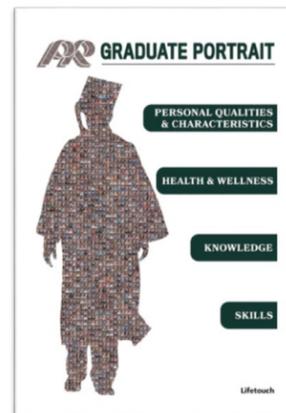

Our focus this month shifts to **Personal Qualities and Characteristics**. In addition to knowledge, there were a variety of skills identified last year by students, staff, parents and the community. These characteristics were developed and reinforced. As a **challenge this month**, we will ask you to rank order the items (most-to-least important) and then indicate whether you perceive each characteristic as a current **strength** for most students or an **opportunity for improvement** for most students.

### Personal Qualities and Characteristics

- Morals, Ethics and Academic Integrity
- Valuing Other Cultures and People
- Civic and Community Engagement
- Resiliency and Adaptability
- Confidence
- Leadership
- Respect
- Passionate and Motivated

If you accept the challenge, please [click on this link](#) so that we can learn from you. We will also ask you to suggest additional qualities and characteristics. Thank you for your engagement in the Pine-Richland School District.

Respectfully,  
Brian Miller
