

# Dear PRSD families,

We are excited to start planning for our upcoming school year with your amazing young artists! Whether we are discovering art together or apart in a few weeks, we have already begun devising a plan for art following each model of education offered. No matter how your student will be joining us on their educational journey, art will remain fun and exciting for our amazing artists!

Due to the recent pandemic and following PRSD protocol, supplies in art class will **not** be shared like they have in the past. Because of this, we have put together a supply list for all of our families to gather and bring on the first day of school. These supplies will only be used by your student- and may not be shared. If your student is following the virtual model, they too can have these supplies ready for the first day of art instruction.

If your family cannot provide any or all of the supplies, please let us know and we will be happy to accommodate. Thank you for your understanding during this time.

As new faces in the PRSD art department we plan on sending along more detailed introductions in weeks to come, so stay tuned!

## Your Art Teachers,

**Ms. Jankowski**  
Wexford & Hance  
Elementary

**Mrs. Laslavic**  
Richland & Hance  
Elementary

*"Together or apart, We create ART from the heart!"* ♥

# Pine Richland Grades 1-3 Art Class Supply Lists
