1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

PRSD finished the 2021 – 2022 school year with full in-person instruction. Masking was optional. The district did not conduct contact tracing or make quarantine notifications. The same approach used to finish the 2021 – 2022 school year will be implemented for the 2022 – 2023 school year.

The full continuum of services is available for all PRSD students, families and staff. Extra-curricular and co-curricular activities are available to all students.
