Message from the Principal

As a school team, we believe it is very important for our students to reach their full potential and to be college, career, and community ready upon graduation. In order for all students to meet this potential, our goals this year focus on improving student achievement and growth while working to continuously improve school culture. Next week begins World Kindness Week at PRHS! We look forward to taking this opportunity to promote kindness, togetherness, and foster a welcoming school community!
